25X1C

The other [redacted] are commented on as follows:

25X1C

was previously observed only in the Alt-Landsberg area, east of Berlin.

belongs to a naval unit on Usedom Island.

is probably the cover designation of a depot at Bad Saarow rather than an APN.

was listed in railroad records of January 1949 as belonging to an unidentified unit in Hohenstein near Pirna. The [redacted] 25X1C is believed to belong to an engineer unit which was probably stationed in the Pirna area temporarily during the winter of 1948/1949.

was assigned to the 28th Gds Tank Brig in World War II. There have been no indications that the brigade is now located in Magdeburg.

belonged to the addressee of a letter found in Neuruppin in February 1950.

25X1X

was first reported by the [redacted] from Werder near Potsdam in February 1951.
